

Investment Signals

Monthly Pre-Decision Indicators Across 77 Priority Companies

Including 30 major Investment Promotion Projects

and 77 target companies selected by MOTIR

Tracking 5 leading indicators of Investment (Covering Pre-Decision Signals only)

5 LEADING INDICATORS OF INVESTMENT

1 Supply Chain & Geopolitical Risk

New suppliers, local sourcing and responses to geopolitical risk

2 Production Expansion & Geographical Diversification

New capacity, Asia-Pacific sites and feasibility studies

3 Capital Raising & Securing Liquidity

Bond and share issues, loans and credit facilities

4 Tech Ecosystem Partnerships (R&D)

Joint R&D, licensing, pilot projects and equity stakes

5 C-Suite Actions

Senior appointments, visits to Korea and site inspections

Investment Signals at a Glance

Signals found at the 77 companies during August 1–31, 2026. A highlighted cell marks an early plan or a preparatory step, not a committed or completed investment.
